To reflect more appropriately the contempory subject coverage of the journal, the Editors and Board of Management of *SOVIET STUDIES* changed the title to *EUROPE-ASIA STUDIES* with effect from Volume 45, 1993. *Soviet Studies* was first published in 1949 and remains the principal academic journal in the world devoted predominantly to the political, economic and social affairs of what were the Soviet block countries. This area of concentration has not changed, but its political structures and economic systems have been or are being transformed. The process of transition is one in which the European Community is participating directly, and it is also one that will continue to affect what was Soviet Central Asia and that has comparisons and contrasts with what is happening in China. In view of this, and looking to the future, the journal is now renamed *Europe-Asia Studies*. It will continue to give academic coverage of contemporary developments in the former 'Soviet' area while recognising that the old limits have become less firm and that the issues have become broader. For some time to come the new title will be followed by the sub-title *Formerly Soviet Studies*.

Editorial correspondence, submitted articles, reviews and books for review should be addressed to the Editor, *Europe-Asia Studies*, 29 Bute Gardens, Glasgow G12 8RS, UK, not to any individual.

Business correspondence, including orders and remittances for subscriptions, advertisements, back numbers and offprints, should be addressed to the publisher: Carfax Publishing Company, P.O. Box 25, Abingdon, Oxfordshire OX14 3UE, UK.

US Mailing agents: *Europe-Asia Studies* is published by Carfax Publishing Company, PO Box 25, Abingdon, Oxfordshire OX14 3UE, UK. Second class US postage is paid at Newark, NJ. Postmaster: please send all address changes to *Europe-Asia Studies,* Carfax Publishing Company, PO Box 2025, Dunnellon. FL 34430-2025, USA.

The Journal is published eight times a year. These eight issues constitute one volume.
